Re: 2002 Post Election Report

Dear Ms. Kitchen:

Enclosed please find a hard copy of SEIU COPE's 2002 post-election report relating to the federal election held on November 5, 2002. This report has also been filed electronically. We have submitted this hard copy because due to problems with our reporting software the electronic version contained a number of errors and omissions. These cannot be corrected in the electronic version because of deficiencies in the software. We are currently in the process of obtaining and installing new software. The attached hard copy reflects the corrections.

The inaccuracies are: 1) the contribution to David Scott for Congress reported on page 97, line B of Schedule B should indicate that it is for primary debt retirement, not for the primary; 2) the contribution to the Committee to Elect Linda Sanchez reported on page 97, line A of Schedule B should indicate that it is for primary debt retirement, not for the primary; and 3) the contribution to Christopher Bell for Congress reported on page 86, line C of Schedule B should indicate that it is for the run-off election.

With respect to Schedule E, the software will not take certain required information. It will not take the category code. All of the expenditures on Schedule E should be for category code 004. In addition, when a candidate is running for the House, it will not take the District in which they are running. The first entry on page 102 of Schedule E should indicate that it was a media buy in support of Julie Thomas, a candidate for the 2nd District of Iowa.

If you have any further questions, please contact me.

Very truly yours,

Orrin Baird
